

# GOT MICE?

## Get a 'barn cat'

Need help with rodents? Little Rock Animal Village can help!

**barn cats | farm cats | warehouse cats**

- They control rodent population
- Eliminate need for mouse traps or poisons
- Save money on feed grain spoilage or loss

The cats chosen are those that cannot be placed in traditional homes and have few other places to go. Request a '**BARN CAT**' and the cat will be sterilized, vaccinated and placed in your barn, farm or warehouse.
